May 15

Hyatt Westlake Plaza  
880 S. Westlake Boulevard

### **MCLE Credit Approved**

**All California locations**

**DissoMaster Suite – 3.75 hours**

**Advanced DissoMaster – 2 hours**

## **DissoMaster**

**Program #1**

Our session begins with a DissoMaster overview, then progresses to a detailed line-by-line explanation. We'll thoroughly explore screens and functions as well as usage tips and tricks. This session provides a solid basis for new users and builds on the knowledge of experienced users.

**9:00 AM – 11:30 AM**

## **Propertizer, Executioner, Support Theory**

We'll cover Propertizer and Executioner to divide property and calculate arrearages.

The final topic is support theory. *When asked, can you explain how child and spousal support are calculated without saying "the computer does it"?* While computers make calculations easier and faster, they also hide the basic nature of how support is determined.

**11:30 AM – 1:00 PM**

## **Advanced DissoMaster**

**Program #2**

This two-hour program includes advanced DissoMaster concepts plus selected topics in support and tax. Available in all California locations with separate registration.

**2:00 – 4:00 PM**

*Instructor: Art Grater, DissoMaster Consultant to Thomson West. Mr. Grater is a State Bar of California approved MCLE provider and certifies that all California seminars are approved for MCLE credit by the State Bar of California.*
